TEDx American University of Kurdistan 2024

Event Management

Vantage KRD delivered full production and media execution for the TEDx AUK 2024 event. Our scope included stage design, lighting, visual content, event decoration, live media coverage, and post-production of all talks.

TEDx Neshtiman 2025 | Official Digital Media Partner

As the Digital Media Sponsor for TEDx Nishtiman 2025, Vantage KRD executed a 360-degree media strategy

from pre-event promotional content and real-time event production to post-event media distribution.

Erbil & Tea Coffee Festival

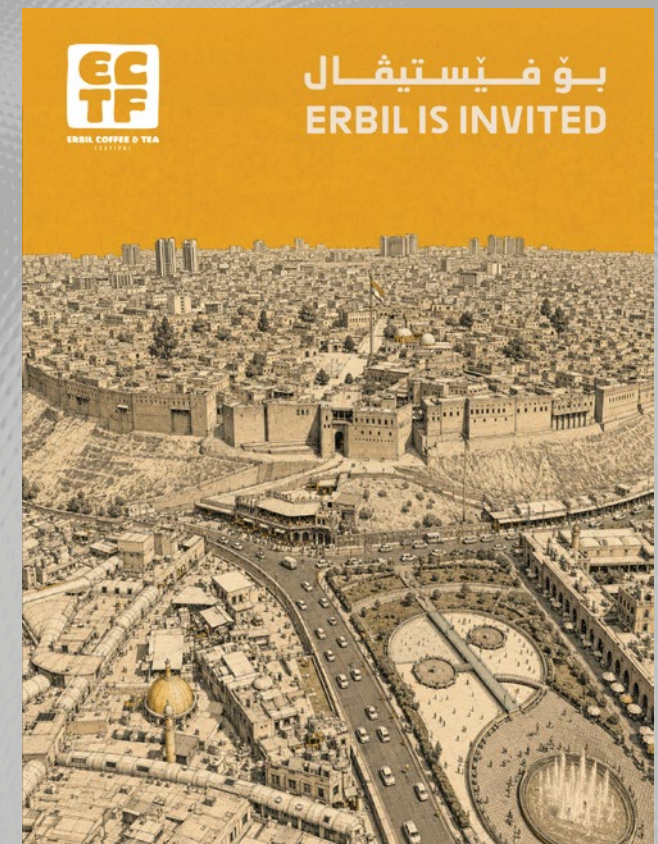

Event Creation & Management

ERBIL COFFEE & TEA
FESTIVAL

Vantage is leading the event management, production, and content creation for the Erbil Coffee & Tea Festival. Taking place this September 2026 at Youth Hub, the festival will bring together coffee and tea enthusiasts, local businesses, and industry leaders through a carefully planned and engaging event experience.

Second Avenue

Digital Marketing

SECOND AVENUE

Vantage handled the full social media management and content production for Second Avenue, creating content that highlighted the project's premium design and commercial value. Our focus was on presenting the complex in a clean, luxurious, and engaging way while building a strong and consistent brand presence across all platforms.

Sheikh Baz Foundation

Branding & Promotional Design

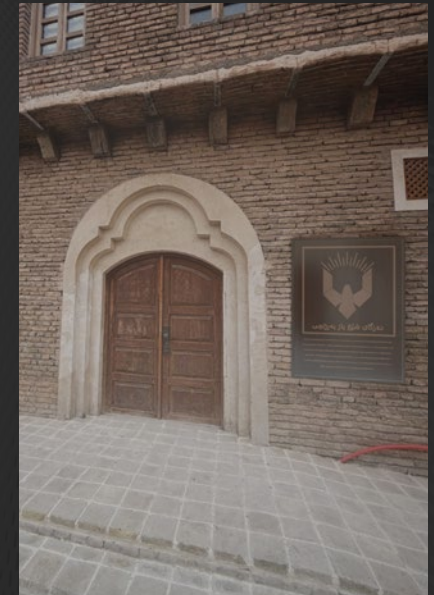

#1f405e

#ffeecc

Vantage developed full branding and promotional materials for the heritage restoration project including logo design and on-site installation. The project successfully achieved its goal of elevating public visibility and establishing a modern, refreshed visual identity.

PDK 20th Cadre Training Course

Media Coverage

Vantage provided multi-camera coverage, photography, and documentary-style post-production. The final content captured key institutional milestones in high-quality archival footage.

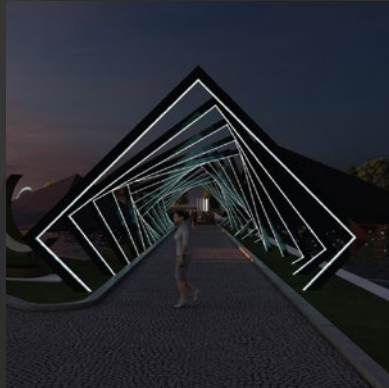

Shawkoy Pavilion Erbil

Event Management and Digital Marketing

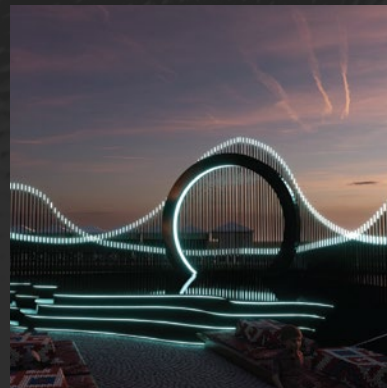

Vantage managed venue setup, guest experience, and digital campaigns, resulting in high attendance and trending online engagement.

Kurdistan Save the Children

Event Production & Management

Vantage delivered full event production services for Kurdistan Save the Children, overseeing venue setup, technical production, and overall event execution. Our team ensured a well-coordinated and professionally managed experience aligned with the organization's objectives and audience engagement goals.

Kurdistan Foundation

We provide comprehensive professional media services for **Kurdistan Foundation**, delivering end-to-end coverage that includes videography, photography, and post-production editing. Our team works closely and continuously with multiple entities under the Kurdistan Foundation, producing all video and visual content for platforms such as **Volunteer.KRD** and **Jobs.KRD**. We also extend these services, when required to their other Entities, ensuring consistent, high-quality media coverage across the Foundation initiatives.

Iraq Save the Children

Media Coverage & Documentation

For Save the Children International, Vantage provided comprehensive media services, including photography, videography, and full event documentation. The produced content supported clear storytelling and effective communication across digital and reporting platforms.

Why VANTAGE

With Vantage, strategy, visuals, and messaging move as one, delivered on time, flawlessly executed, and backed by deep market understanding. One team, full solutions, and a lasting trust.
